1 (Dispatch)

1. Attached newspaper story and message are submitted as a matter of information requiring possible action.

2. The Southern Pacific Railway passes within one quarter mile of the FBIB West Coast Monitoring Station and would seriously interfere with the reception of foreign broadcasts, if electrified.

(over)

3. Should the proposed electrification of transportation systems in the San Fernando Valley, in the vicinity of Reseda, California, become a matter of consideration for any other government agency in Washington, D. C., it is requested that CIA exert all possible opposition on the grounds that it would have a detrimental effect upon an important government operation.
